PROGRAMMING INFORMATION

Our purpose is to provide a fun, safe and comfortable environment where children receive quality out-of-school care. The program provides care for children ages 4.5-11 years of age. Please see the information below which outlines important components to our programming.

1. After School Program:

This program can accommodate 40 children. Planned activities are offered to children in order to enhance all developmental aspects of a child's learning and are presented in a fun way that sparks a child's interest. The After School Program also offers a nutritious snack while children attend.

2. Morning Care Program:

This program can accommodate 40 children. Children will be offered a nutritious breakfast every day, accompanied by fresh fruit, milk, and water. Children can enjoy an easy start to their school day and have many options available to them during the morning care program. Books, toys, coloring and drawing, or song and dance are just a few of the activities children can choose from to start their day. Please note that all children **MUST** be dropped off by 8:10am in order to ensure that we are able to catch the earliest bus departure at 8:20am.

3. Personal Development Days (PD Days):

This program is offered throughout the school year on non-instructional days and during Spring, Summer and Winter break. The full day camps can accommodate up to 40 children. Breakfast and an afternoon snack are included on PD Days.

Club Closure Days – Professional Development/Staff Training

During the 2024/2025 school year, the Out of School Care staff will have Professional Development Training where the program will be closed.

The dates are below, and will be communicated in newsletters and monthly calendars:

- Christmas Break: December 23, 2024 to January 3, 2025
- Easter Friday, April 18, 2025

NUTRITION

We proudly offer breakfast and afternoon snacks during our Out of School Care program. Breakfast will be a rotating mix of healthy cereals, yogurt, fresh fruit, muffins, oatmeal, and toast with different topping options. If you feel that our breakfast foods will not accommodate your child's needs, we welcome you to bring your own breakfast to eat at our facility. We will also be offering afternoon snacks to children once they arrive at the Club from school. If your child has specific dietary or allergy restrictions please ensure you indicate this to staff on both the registration forms and in person. If you feel that your child requires a strict diet at all times, we welcome you to pack your child's breakfast and snacks for the duration of our program. Please be aware that we are a **peanut-free** facility.

REGISTRATION

We are here to assist you in completing the registration process and ensuring a smooth transition into our programs. Should you have any questions at all or require any assistance, please ask one of our friendly staff members. In order for registration to be finalized, you must complete a registration package and monthly calendar, which can be accessed on our website at www.bgcwhitecourt.com. Please allow 48 hours for all registration packages to be processed prior to you bringing your child.

CALENDARS

Parents are to fill out a calendar provided by the BGC in order to register their child for Out of School Care. These calendars play a vital role in the BGC program as they let the staff know how many children will be attending on any given day. They are an important measure to ensure your child's safety while in the care of the club. These calendars **must** be submitted prior to your child attending our Club. **Please refer to our drop-in policy below to learn about drop-in options.**

COMMUNICATION OF PROGRAMMING INFORMATION

There is always a lot going on at the BGC and we want to make sure that you know all about it! Please regularly check the following for updated program information.

- Front Entryway Table & Table on the left in the front of the building
- Parent Information Board
- Our Facebook and Instagram pages
- www.bgcwhitecourt.com

Lillio App (Formerly known as HiMomma)

Upon registration, your child's information will be added into our childcare app, Lillio. This app helps us to track child attendance and critical information regarding our children attending. This app is also used as a means of communication between staff and parents. The message center in the app is an easy and convenient way for parents to message all staff about any changes in their child's schedule or any prevalent information that we may need to be made aware of. Please head over to your app store on your phone and download 'Lillio' to communicate with us and watch your child's progress.

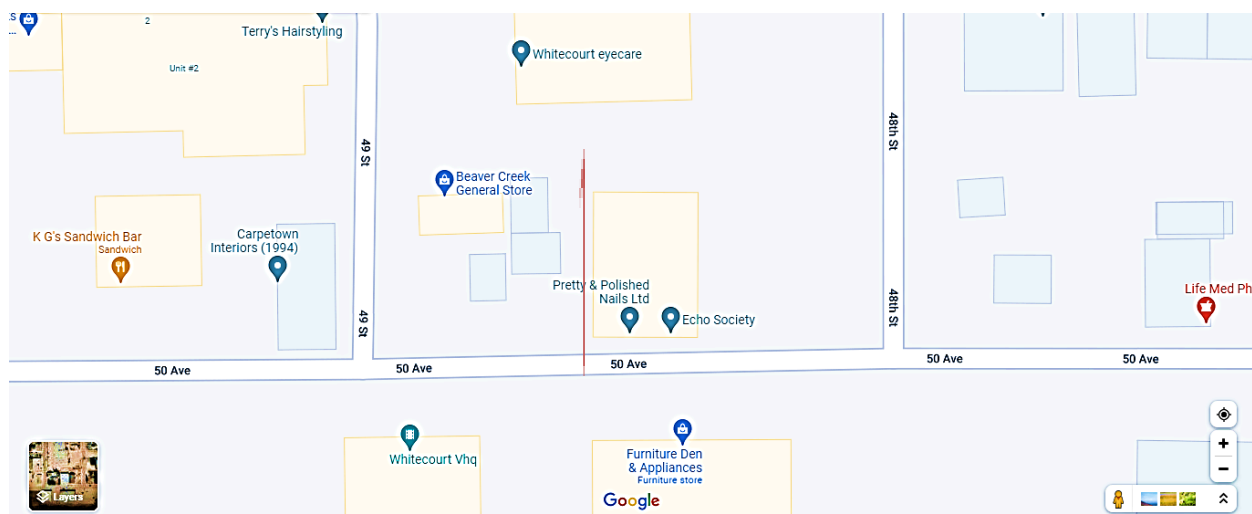

Arrival, Departures, and Parking Policy

We care very much about the children that are in our care and your child's safety and security is of the utmost importance to us. We want to ensure that your child arrives at and departs from our program in the safest manner possible. Therefore, please be aware of our policies regarding arrivals and departures as follows:

- Children **must** be signed in and out of the program.
 - Only those people authorized on the registration form will be allowed to pick up a child from the program.
 - In case of emergency, a parent can give permission, verbally or written, for a third party to pick up their child.
 - If staff members do not recognize the person picking up the child, they will be asked to show a photo ID so that the staff members can cross reference the name to the alternate pick up list for that child.
 - Checking your child into the program can be done via the Lillio App.
 - Checking your child out of the program can also be done via the Lillio App.
- Please see the Lillio information sheet for more information on how to do this.

BGC Whitecourt & District has created a designated drop off and pick up point for our families. Please ensure that you are **only** using the designated drop off and pick up location and **not** entering the private parking lot. Our adjacent neighbors offer a facility for adults with disabilities, so it is imperative that the handicap parking remain available at all times. In the event that you have a handicap tag for your vehicle, please notify our staff and we will ensure that handicap parking is available for you and your child. The designated drop off and pick up point is marked with a sign, and located in the alleyway between Beaver Creek General Store and our building. This is a one way alley; please enter from 50th Ave. and exit towards the Midtown Mall. Please see the following map for further details.

CHILD GUIDANCE POLICY

Our staff apply a behaviour management style that is consistent with helping the children develop control of their own behaviour through guidance in a warm and caring way. Guidance and discipline will always be developmentally appropriate and based on an understanding of the individual needs of each child. Whenever possible, children are encouraged to settle conflicts and find solutions themselves. A staff member will get involved when necessary. When a child demonstrates inappropriate behaviour or action, our goal is to remain as consistent as possible and, after a warning, work on a solution that is appropriate for the action. A cool down time will be suggested when necessary to help the child regain control. Our program will never inflict any form of physical punishment, verbal or physical degradation, or emotional deprivation. Children will never be denied or threatened to be denied any basic necessity. Our program will never use any form of physical restraint, confinement or isolation.

Should unacceptable behaviour persist, a meeting with the Program Manager and parent/guardian will be set up to discuss the issue and develop a plan for the participant moving forward.

MEDICATION ADMINISTRATION POLICY

Medication can only be given to your child by staff if an Medication Administration form has been filled out and signed. Because we are a government licensed facility and program we are unable to administer medication if:

- A Medication Administration form is not filled out,
- Medication is not prescribed by a doctor
- Medication does not have a proper label

All medication must be supplied by the parent/guardian. Prescribed medication received by staff must be in a pharmaceutical container with the original label from the pharmacy and must contain the following information:

- Child's name
- Medication name
- Dosage amount
- Time/Frequency
- Physician's Name

Inhalers, epi-pens and insulin must be carried by the child and will be **self-administered** if they are over the age of 6.

For children 6 years of age and under, staff will provide appropriate storage and assistance with the administration of inhalers, epi-pens and insulin.

HEALTH CARE/SUPERVISION OF SICK CHILDREN

Please do not bring your child to the program if they are not feeling well. Keeping your child home will help stop the transmission of colds and flus. The program will determine if the parent will be contacted to remove their child from care if they exhibit any of the following:

- Vomiting
- Fever (a temperature greater than 38°C or 100.4°F)
- Diarrhea
- a new and/or unexplained cough or rash

Staff will use visual observations to determine if a child is exhibiting any of the symptoms just listed. If, in the opinion of staff, a child is not well enough to be in care, the parents will be notified and requested to make immediate alternate child care arrangements. If these attempts are unsuccessful, the child's emergency contacts will be called. Sick children will be directed to a chair/mat/rug/couch/bathroom away from the other children either in the same room or in a separate room where they can quietly wait for their parents to arrive. **As per Alberta Health Services policies, a child may not return to the program until they are symptom free for at least 48 hours or if**

the parent has a physician's note. Please note that if your child is sent home sick, you will still be charged the full amount for child care.

EMERGENCY EVACUATION/FIRE DRILLS

The BGC Whitecourt & District will participate in fire drills on a consistent basis. Staff will ensure members are familiar with evacuation procedures. Fire evacuation plans are posted in the program facility by all exits. In the event that the children are evacuated from the program, parents would be contacted through home numbers, cell numbers and emergency contacts as soon as it is safe to do so. If the building is evacuated and re-admittance is not possible, the children will be moved to the front entrance of Midtown Mall as our muster point.

DROP-IN POLICY

Our Club will accept children on a drop-in basis, provided the guardian has contacted the Club prior to needing a spot for their child. If the Club was not contacted, a **\$20.00 fine will be added to each day your child is dropped off without notice**. Dropping off your child with no notice given to our Club is unacceptable. Drop-ins are always welcome, provided that you have contacted us ahead of time to ensure space is available. Having an influx of unexpected children could lead to us being understaffed. Being understaffed puts us at risk of losing our child care license through the Government of Alberta. If this license is revoked or suspended, our program will be permanently shut down.

Unfortunately, if your child is not pre-registered or you did not contact our Club to ensure drop-in space is available for your child, we are not responsible for your child. You **must** contact our Club ahead of time to ensure there is appropriate space for your child.

TRANSPORTATION

Staff will take precautions to ensure that participants are transported safely as required. The program will use a combination of school bussing and walking in order to transport participants from their school to the Club and/or off-site activities. External bussing may be contracted for field trips or to support programming; if and when this occurs, communication will be made with parents/guardians and additional forms may be required.

CHILD CARE SUBSIDY

Alberta resident families may qualify for provincial child care subsidies. Families are responsible for ensuring that their subsidy information is kept up to date and the required documents are sent in. The best way to apply is to do so online. You will learn the amount of your subsidy right away and be given a letter/email stating the amount of subsidy the government will give you. Once you have received a letter or email, please bring it to the Club

for us to keep on file. Please note that after your immediate approval online, you may be required to submit additional documentation. It is your responsibility to submit that information; otherwise, your subsidy may be revoked by the Government of Alberta. You can access the subsidy application online at <https://applychildcaresubsidy.alberta.ca/>

JUMPSTART FUNDING

We strongly encourage families who have been approved for subsidy to apply for Jumpstart funding, provided that their children will be attending the Club for a minimum of five weeks. To apply for Jumpstart funding, head directly to their website at <https://jumpstart.canadiantire.ca/pages/individual-child-grants>.

If you did not qualify for subsidy, but still require funding, please contact the Executive Director to discuss the possibility of Jumpstart funding.

Our Executive Director can be contacted at 780-778-6696.

TOYS AND ELECTRONICS FROM HOME

The program strongly discourages participants from bringing toys and electronics from home. BGC Whitecourt & District is not responsible for any lost or broken items. If items brought from home are creating issues while attending the Club, they may be confiscated by staff and returned to the child during pick up.

CONFLICT RESOLUTION AND GRIEVANCE

BGC Whitecourt & District will follow a process to receive, investigate, respond to, and document grievances and conflicts. Staff, volunteers, and participants will be informed that they have the right to lodge a grievance or disclose a conflict if they feel they have been treated unfairly and/or inappropriately by anyone. When an individual believes that any condition affecting them is unjust, inequitable, or hindrance to effective job performance, that individual may initiate a grievance.

To lodge a formal complaint:

1. Draft a formal complaint in the form of a letter describing the situation and your desired outcome, if applicable
2. Email the letter to executivedirector@bgcwhitecourt.com
