

What's New at the BGC?

Summer programming is almost over! We can't believe how fast it's gone by. Don't forget to watch out for Out of School Care Registration. Out of School Care Registration packages and September Registration Calendars must be filled out before your child can attend.

We strongly advise all parents/guardians read and review our Out of School Care 2024/2025 Parent Handbook. This will help ensure all parents/guardians are aware of our rules, procedures and policy's.

Parent Information

A reminder that our field trip days are on Thursdays! This month our field trips will include:

- Central Park for obstacle course by Any Time Fitness and sports day on August 1st.
- Festival Park for swimming and park time on August 8th.
- Jurassic Forest for dinosaur discovery! This will be on August 15th.
- Huestis Demonstration Forest, learning about nature and outdoor activities. On August 22nd.
- Launch Pad Trampoline Park on August 29th.

Please do not forget to use the Lillio App this summer. This is the best way for parents to communicate with staff and it helps lessen congestion in the pick up lane. Staff will also use the app to provide important updates and reminders to parents.

Please remember to send your child with a morning snack, a pre-cooked lunch, a water bottle, indoor shoes, and a change of clothing. These are all to ensure your child's safety and comfort while at the Club!
